INTRODUCTION

The Industrial Visit to Arihant Industry, Tansa, Bhavnagar, was organized by GMSEC (Gyanmanjari Startup & Entrepreneurship Cell) to provide students with real-world exposure to industrial operations and entrepreneurship. The visit aimed to bridge the gap between theoretical knowledge and practical application in the manufacturing and business sectors. A total of 40 students from multiple disciplines participated, showcasing their keen interest in entrepreneurship and business development.

VISIT DETAILS

During the visit, students had the opportunity to explore various operational aspects of Arihant Industry, including manufacturing processes, quality control measures, supply chain management, and business strategies. Industry professionals guided students through different departments, explaining the workflow and challenges faced in the industry.

Students gained valuable exposure to:

- Cashew grade separation techniques
- Cleaning processes involved in cashew processing
- Packaging methods and quality control measures

The interactive session allowed students to ask questions and gain insights into the practical application of their academic learning.

ENTREPRENEURSHIP TALK

Speaker: Mr. Ashwin Aggarwal (CEO, Arihant Industry, UB Nuts, Aggarwal Group)

Mr. Ashwin Aggarwal delivered an insightful session on entrepreneurship, where he covered key aspects such as:

- The journey of Arihant Industry and its role in the market.
- Business strategies and market trends in the food processing sector.
- Challenges faced by entrepreneurs and how to overcome them.
- The importance of innovation and adaptability in a competitive business environment.
- Career opportunities and entrepreneurial avenues for students in the manufacturing sector.

The session provided students with practical knowledge and motivation to explore entrepreneurship as a career path.

VALEDICTORY

At the conclusion of the visit, Prof. Deepak S. Jani extended gratitude to Mr. Ashwin Aggarwal and the team at Arihant Industry for their hospitality and valuable insights. The students expressed their appreciation for the opportunity to learn directly from industry professionals. The visit ended with an engaging Q&A session where students discussed their entrepreneurial ideas and sought advice from industry experts.
