A REPORT on “SSIP Sensitization workshop”

Mechanical Engineering Department

Date: 18/10/2024

A sensitization workshop for first and third semester students was organized by the Mechanical Engineering Department under the SSIP Cell on October 18, 2024. A total of 17 students attended the session, during which Prof. R.N. Makadia delivered a presentation on SSIP and startup awareness. The students were motivated, and their queries about SSIP and the path to becoming entrepreneurs were addressed. They were informed and encouraged to participate in SSIP 2.0 Phase 3, which will be organized under the SSIP Cell.
