Prachi Parikh the speaker of the session discussed about "Problem Identification & Ideation" under SSIP 2.0 Student Sensitization Drive.

Outcome of Event:

The Student Startup & Innovation Policy (SSIP) 2.0 Student Sensitization Drive aims to foster a culture of innovation and entrepreneurship among students. On March 18, 2025, from 11:00 AM to 12:30 PM, students of Government Science College, Varachha, attended a sensitization session conducted by Miss. Prachi Parikh, organized by SSIP, CHE, Education Department. The session focused on "Problem Identification & Ideation," providing students with valuable insights into the process of identifying real-world problems and generating innovative solutions. Key Takeaways from the Sensitization Session were importance of problem identification, techniques for problem identification and ideation process. By focusing on local challenges and leveraging the resources provided by SSIP 2.0, students can develop innovative solutions that benefit their community. The session emphasized the importance of practical application and encouraged students to actively participate in the innovation ecosystem.

We are thankful to the SSIP cell, CHE, for conducting such a fruitful session for the students. We are also thankful to Dr. B. H. Parmar, Principal, GSC Varachha and SSIP committee for their continuous support.
