

Turning idea into prototype

The Expert talk on “Turning idea into prototype” was organized by Institution’s Innovation Council (IIC) and SSIP Cell of Government Polytechnic Kheda on 30th January 2025 (Thursday) for the second-year students. Total 111 students and 08 faculties have attended the seminar. Mrs. Mitchell shivkumar prajapati, lecturer in EC G P ahmedabad, has handled the session very nicely and given useful information about the knowledge to navigate entrepreneurial challenges. The expert covered the topics like Definition and significance of entrepreneurship and innovation, Characteristics of successful entrepreneurs, process of transforming an idea into a viable business model, Challenges faced by startups and ways to overcome them, role of technology and digital transformation in modern business. The hard effort of Dr. Pinkesh R. Shah - IIC President and Shri A. V. Prajapati – SSIP Coordinator made the event more success.
