REPORT

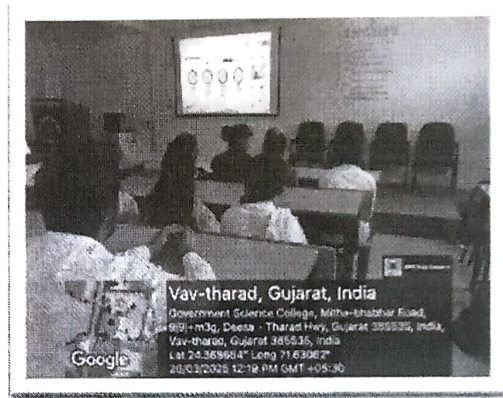

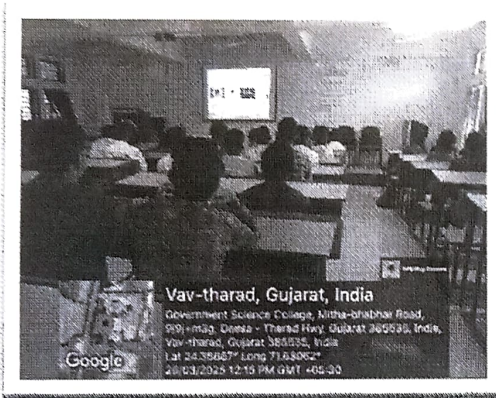

On March 26, 2025, a one day Sensitisation workshop was organized under SSIP 2.0 at Government Science College, Tharad, under the inspiration and guidance of the Commissionerate of higher education, Gandhinagar, SSIP, KCG and Principal, Dr. Mahesh R. Solanki.

This workshop was arranged online with the help of SSIP, KCG. This virtual workshop was organized with the help of Calendly and Microsoft team. Date and time for the workshop was selected by the college by using Calendly. The virtual session was taken with the help of Microsoft team.

Problem identification and ideation was the topic for the session. Keynote speaker for the session was Miss. Prachi Parikh. Speaker gave us the information about how to find out the problem and convert the problem into idea and opportunity. Students got very important information about problem identification. At the end of workshop question and answer session was also arranged by Miss. Prachi Parikh.

The entire workshop was coordinated by Govind R. Varde, and the success of the event was made possible by the contributions of Commissionerate of higher education, Gandhinagar, SSIP 2.0, KCG, Miss. Prachi Parikh, academic and non-academic staff members of the college. 75 students participated in workshop.
