Venue/ Mode: Government Science College, Valod

No of Participants: 42

Speakers Name: Shri Diveyeshbhai R. Mistry, IQAC Co-ordinator, GSC Valod

About Event:

On 5th March 2025, Government Science College, Valod organized a PM Internship Sensitisation session for its students. The session aimed to create awareness among students about the Prime Minister's Internship Programme, its objectives, structure, benefits, and the application process.

During the sensitisation session, students were informed about the eligibility criteria, selection procedure, key focus areas, and the skillsets required to successfully complete the internship. The speaker(s) highlighted how the internship program offers a unique opportunity to work on real-time government and development sector projects, thereby building critical leadership, administrative, and research skills among the youth.

The session also included interactive discussions where students' queries related to internships, career prospects, and contribution towards nation-building were addressed. Students were motivated to actively apply for such internships and utilize this platform to enhance their practical learning and professional growth.

Outcome of Event:

- Students gained a clear understanding of the PM Internship Programme and its significance.
- Many students expressed interest and enthusiasm toward applying for the internship.
- Students became aware of the importance of gaining practical exposure alongside academic studies.
- The session successfully motivated students to contribute actively towards societal development through government initiatives.
