

SSIP2.0 Sensitization Sessions

Event Name: SSIP 2.0 Student Sensitisation Session (Virtual Mode)

Date: 11th March, 2025

Venue/ Mode: Government Science College, Valod (Online - Smart Classroom)

No of Participants: 89

Speakers Name: Ms. Niyati Thacker, SSIP CHE PMU

About Event:

As a part of the statewide SSIP 2.0 Student Sensitisation Drive initiated by the Higher Education Department, Gujarat, Government Science College, Valod organized an online session on Introduction to Innovation & Entrepreneurship on 11/03/2025.

The session was conducted virtually by Ms. Niyati Thaker from SSIP CHE PMU. The objective of the sensitization was to educate students about innovation, entrepreneurship, and start-up opportunities available under the Student Start-up and Innovation Policy (SSIP) 2.0.

Ms. Thaker explained key aspects of the selected topic, highlighting real-life examples, and encouraging students to think innovatively and identify problems that can be solved through entrepreneurial ventures. She also briefed students about funding mechanisms, IP protection, building Proof of Concepts (PoCs), and scaling up start-ups into sustainable businesses under SSIP support.

The session was highly interactive, with students actively participating and raising questions regarding

Outcome of Event:

- Students gained a comprehensive understanding of innovation and start-up ecosystems under SSIP 2.0.
- Students learned about practical steps involved in ideation, prototyping, funding, and IP protection.
- The session ignited entrepreneurial aspirations among students and encouraged them to work on innovative projects.
- Many students showed interest in participating in SSIP-supported initiatives and developing start-up ideas.
