**Expert (Internal): Dr. Jyotin Kateshia** – Assistant Professor, DCSE (SSIP Coordinator)

## **Brief biography of the expert:**

Dr. Jyotin Kateshia is an Assistant Professor in the Computer Department at IAR, Gandhinagar where he has been actively contributing since the past 1.5 years. With a robust background in academics and research, Dr. Jyotin brings over a decade of teaching experience to his role, enriching the academic environment with his deep knowledge and innovative teaching methodologies.

In addition to his teaching responsibilities, Dr. Jyotin serves as the SSIP (Student Startup and Innovation Policy) Coordinator for the institute. His expertise in the SSIP field spans 5 years, during which he has been instrumental in fostering entrepreneurship and innovation among students.

Dr. Jyotin holds his academic qualifications from Nirma University, where he earned his doctoral degree in Mechanical-Renewable Energy. Passionate about education and fostering a culture of innovation, Dr. Jyotin continues to inspire and mentor students, preparing them for successful careers in the dynamic field of computer science and entrepreneurship.

## **Objective of the Event:**

The primary objective of the World Intellectual Property Day celebration was to raise awareness about the importance of intellectual property (IP) rights in encouraging innovation and creativity. The event aimed to educate students, researchers, and entrepreneurs on how IP laws protect original works and foster economic and technological advancement. Additionally, the event sought to highlight the role of IP in supporting sustainable development and empowering individuals to turn ideas into impactful solutions. It intended to clarify the procedures of obtaining patents, copyrights, trademarks, and other IP tools. Through expert-led sessions, the event also aimed to inspire participants to consider IP as a strategic asset. Lastly, the objective was to build a foundational understanding of IP among attendees to promote a culture of innovation and legal awareness.

## **Brief overview of the Event:**

World Intellectual Property Day was celebrated with great enthusiasm on April 26, 2025, under the expert guidance of Dr. Jyotin Kateshia. The event aimed to raise awareness about the importance of intellectual property (IP) rights in encouraging innovation and creativity. Dr. Kateshia began the session by providing a historical background of World IP Day and its significance in today's rapidly evolving technological landscape.

---

The event included an insightful keynote speech, interactive discussions, and real-world examples emphasizing the role of IP in business and academia. Participants were also guided through various types of IP, including patents, trademarks, copyrights, and industrial designs. The session concluded with a vibrant Q&A session where Dr. Kateshia addressed the queries from participants.

Dr. Kateshia also discussed the global impact of IP rights, illustrating how they contribute to economic growth and cultural development worldwide. He emphasized the importance of understanding IP laws to navigate the challenges faced by creators and innovators in the digital age.

The event featured case studies of successful IP management, showcasing how individuals and organizations have leveraged IP rights to advance their creative endeavors. Attendees gained practical insights into the processes of registering and enforcing IP rights, equipping them with the knowledge to protect their own innovations effectively.

Feedback from participants indicated a heightened awareness and appreciation for the role of IP in various sectors, including technology, education, and the arts. Many expressed interest in further workshops and seminars to deepen their understanding of IP-related topics.

Overall, the event served as a valuable platform for fostering a culture of innovation and respect for intellectual property, aligning with the global objectives of World Intellectual Property Day.

## **Outcome of the Event:**

The World Intellectual Property Day 2025 event significantly enhanced participants' awareness and understanding of intellectual property (IP) rights, emphasizing their crucial role in fostering innovation and creativity. Attendees gained practical insights into safeguarding their inventions and creative works, learning effective strategies for IP protection. The session ignited a strong interest among young innovators to pursue IP protection for their projects, highlighting the importance of securing their ideas. The event also facilitated networking opportunities, encouraging collaborations and the development of IP-based ventures. Many students expressed a keen interest in attending future workshops and seminars focused on IP registration processes. Overall, the event reinforced the institution's commitment to promoting innovation and entrepreneurship, aligning with the global theme of "IP and Music: Feel the Beat of IP," which celebrates the intersection of intellectual property and the music industry.

## Feedback from Attendees:

Participants shared overwhelmingly positive feedback about the World Intellectual Property Day 2025 event. Students expressed that the session was truly enlightening, with Dr. Kateshia simplifying complex concepts and helping them understand how patents could protect their projects. All the participants found the session to be an eye-opener, especially regarding trademark registration for startups, and emphasized its necessity for aspiring entrepreneurs. They appreciated the detailed explanation of copyright laws and valued the discussion on plagiarism and its impact on research ethics.

## Report for Social Media:

**Expert Talk on
