Event

SSIP 2.0 MIS Portal Walkthrough & Query Resolution

Date

15/02/2025

Venue

Virtual – Microsoft Teams

Participants

29 SSIP Coordinators

About Event

A comprehensive walkthrough and query resolution session was conducted on the SSIP 2.0 MIS Portal, designed to guide users through the platform's features and functionalities. The session aims to address any questions or concerns, ensuring seamless navigation and utilization of the portal. Participants will gain a deeper understanding of the portal's capabilities, enabling them to effectively manage and track SSIP 2.0-related activities, and resolve any queries or issues that may arise during its use.

Event Photos

The top screenshot shows a presentation slide titled "SSIP 2.0 Portal Walkthrough" with the date "Feb - 2025" and "SSIP State PMU". The bottom screenshot shows a software interface for "Event Expense Entry" with a table of financial data.
