28<sup>th</sup> March 2025, Friday, 03:00 pm onwards  
Mechanical Seminar Hall, 5012

**"Government Engineering College, Palanpur"** (GECPL), operates under the aegis of Government of Gujarat (established in the year 2009). It is affiliated to Gujarat Technological University, Ahmedabad and is also approved by All India Council of Technical Education (AICTE), New Delhi. GECPL provides a dynamic and supportive environment in which faculty and staffs continuously grow intellectually and professionally.

Our Vision is to be a leading technical institute facilitating transformation of human resources into socially responsible engineering professionals for sustainable development. Our mission is to achieve academic excellence by developing state-of-the-art laboratories and academic infrastructure. To create an ecosystem that promotes value based technical education, innovation and entrepreneurship for sustainable development. To contribute to industry and society by providing technical and consultancy services. To enhance technical competencies of human resources by providing need base trainings and quality improvement programs.

In above context, Student Start-up & Innovation Policy [SSIP 2.0] committee & Institute Innovation Council [IIC] committee of Government Engineering College, Palanpur has organized a seminar on **"The Unconventional Truth - Why A-Students Works for C-Students"** on date 28<sup>th</sup> March 2025 (Friday) for the students of all programs. The aim of organizing this seminar was too aware the student about to be an entrepreneur instead of job seeker.

Dr. V. D. Patel starts the session and gave the introduction of the guest speaker Prof. Manish G. Prajapati, Assistant Professor, Electrical Engineering Department,

Government Engineering College, Palanpur. Then the session was handover to guest speaker Prof. M. G. Prajapati.

Prof. Manish G. Prajapati, started his session with the major question to be an employee or to be a businessman? He had discussed about the topics like

- Type of education and income
- Cashflow quadrant ESBI
- Difference between Specialist vs Generalist
- Why Most Entrepreneurs Fail, Comfort with Failure and
- Interpersonal Skills and Leadership

The session was ended with few questions and answer session. Total 27 students and 8 faculty members have attended the program. The session was found very interesting, informative and thought provoking.
