About the program:

“Start-ups are the engines of exponential growth, manifesting the power of innovation. Several big companies of today are the Start-ups of yesterday. They were born with a spirit of enterprise and adventure kept alive due to hard work and perseverance and today have become shining beacons of innovations.”

*--Shri Narendra Modi
Prime minister of India*

Gujarat is best known for its entrepreneurship and industrial development. Start-ups and innovation help in solving novel industrial challenges which indirectly helping the society. New fields are emerging globally for students and young innovators. Intune with these fields, Government of Gujarat has launched SSIP 2.0 policy for supporting financial needs for the student innovators.
