An Inspirational Session ON Swadeshi Samvad

ORGANIZED BY SSIP and ED Cell (SVMIT, BHARUCH)

Date: 11th August, 2025

SVMIT Engineering College, through its SSIP and Entrepreneurship Cell, proudly hosted *Swadeshi Sanvad*, organized by Swadeshi Jagaran Manch, on Monday, 11th August 2025.

The session was led by *Shri Kashmirilalji* – Rashtriya Sangathak, Swadeshi Jagaran Manch, accompanied by team members Shri Manoharlal Agrawal, Shri Jitendra Gupta, and Dr. Sanjivji Varma.

The event inspired students with thought-provoking discussions on:

- ✓ Self-reliance and Atmanirbhar Bharat vision for the youth.
- ✓ Encouraging indigenous innovation and entrepreneurship.
- ✓ Understanding the role of the Swadeshi movement in shaping a stronger India.
- ✓ Empowering students to contribute to national development through sustainable practices.

This impactful program created awareness about the importance of Swadeshi philosophy and motivated students to adopt self-reliance and innovation as guiding principles for their careers and contributions to the nation.

Heartfelt thanks to Swadeshi Jagaran Manch, SSIP, and the Entrepreneurship Cell for making this event possible, and to all students for their enthusiastic participation.

Glimpse of Session
