The Government Science College, Veraval, successfully organized an SSIP (Student Startup and Innovation Policy) Orientation Program on 29th August 2025 at 2:00 PM. The event aimed to introduce students to the objectives and opportunities provided by the SSIP initiative, fostering a culture of innovation and entrepreneurship within the academic community.

The session was graced by Asst. Professor Mr. Dharmesh Vavaiya from Government Arts and Science College, Talala, who delivered an insightful lecture. He emphasized the significance of innovation in today's academic and professional landscapes, encouraging students to actively participate in research and development activities. Mr. Vavaiya also highlighted various success stories under the SSIP scheme, illustrating the potential impact of student-led innovations.

The program was meticulously organized by SSIP Coordinator Professor Priya Mange, whose efforts ensured a seamless and informative session. The entire event was conducted under the esteemed guidance of Principal Dr. Smita Chhag, whose support was instrumental in the program's success.

The orientation witnessed enthusiastic participation from students across various departments, reflecting their keen interest in innovation and entrepreneurship. The interactive session concluded with a Q&A segment, allowing students to clarify their doubts and gain deeper insights into the SSIP framework.

Overall, the SSIP Orientation Program served as a catalyst in motivating students to explore innovative ideas and contribute meaningfully to the academic and entrepreneurial ecosystem.
