**Minutes of the Meeting of SSIP 2.0 PoC Screening Committee
held on 24th September 2025
of Saurashtra University (SU)
for final approval of proposals received under
Student Start-up and Innovation Policy (SSIP 2.0)**

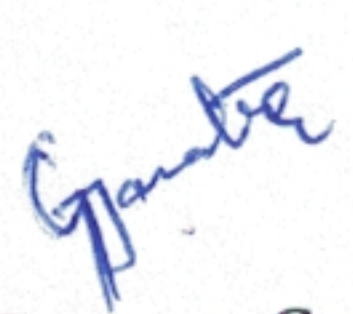

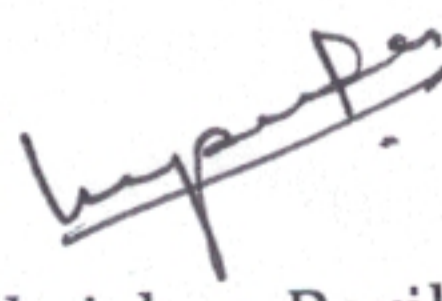

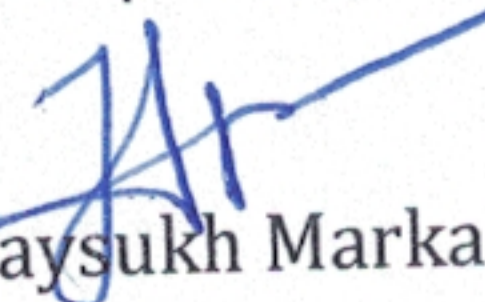

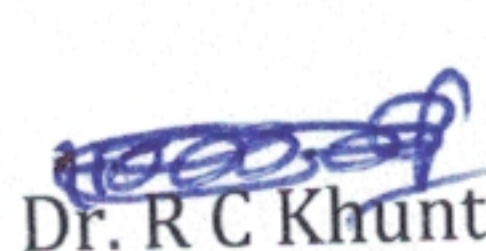

Saurashtra University has been at forefront in the sphere of student innovation & start-up ecosystem development. To carry forward the efforts for the above, Government of Gujarat has developed a Student Start-up & Innovation Policy, SSIP 2.0 at State level with a commitment of 500 Crore INR grant for student innovators and start-ups. This will primarily facilitate and pre-incubate innovative ideas to go through a stage of proof of concept, prototype, product, testing & trial, redesign and deliver innovative solutions catering to end users. The broad objective is to harness creative potential of young students across universities and educational institutions. As a part of the Memorandum of Understanding (MOU) made between Gujarat Knowledge Society (GKS- nodal agency for implementation of SSIP 2.0) and Saurashtra University (University with effective implementation potential), SU will extend support for the below by this academic year:

Support up-to 75,000 INR for filing IPR for 125 Student Innovators/Start-ups
Support up-to 2,50,000 INR for Prototyping support for 200 Student Innovators/Start-ups at POC stage

The following process was adopted by SU Incubation Centre team for inviting and scrutinizing proposals under SSIP 2.0 at Saurashtra University.

1. Incubation Centre of Saurashtra University invited innovations and startup ideas from college undergraduates, post-graduates and alumni, asking Principals and faculty members to coordinate and recommend for the same and through promotions over social media campaigns and mailers. Students applied for SSIP 2.0 through following link: Start-up enthusiasts' form: www.susec.ac.in
2. From the entries in above link final screening was conducted at Meeting Room, Dr. A P J Abdul Kalam Vigyan Prayogalaya, Saurashtra University.
