🎯 Objective of the Event

The workshop titled "*Seeds of Success: Cultivating Entrepreneurial Mindsets*" was designed to inspire and empower young minds with the tools, insights, and motivation needed to embark on entrepreneurial journeys. The event focused on nurturing creativity, resilience, and strategic thinking—key ingredients for successful entrepreneurship.

🎤 Guest Speakers

Prof. Sunil Chaki

Prof. Chaki opened the session with a compelling keynote on the role of innovation and institutional support in shaping entrepreneurial ecosystems. His insights into academic incubation and SSIP initiatives set the tone for the day.

Mr. Anuj Rathore

Mr. Rathore shared his journey of building a health-focused startup for women, emphasizing the importance of purpose-driven entrepreneurship and social impact.

Mr. Shravan Kumar

Mr. Kumar captivated the audience with his story of launching a tech-based venture, highlighting the challenges and breakthroughs of building a startup from scratch.

🎓 Conclusion

The event concluded with a vote of thanks and distribution of participation certificates. *Seeds of Success* successfully planted the spirit of entrepreneurship among attendees, leaving them inspired to take their ideas forward with confidence and clarity.
