Three days Hands on Workshop on “Innovative Quick and Healthy Cooking Recipes for Law Students”

Date: 10/09/2025 and 12/09/2025

Under the SSIP and Innovation club of the Government Law College, Ahmedabad the Three days Hands on Workshop on “Innovative, Quick and Healthy Cooking Recipes for Law Students” was organized on 10.09.2025 to 12.09.2025. This workshop was intended by the College to create a conducive creative atmosphere in the college and to motivate students to participate in the activities of the Innovation Club. Students participated enthusiastically. Two resource persons were invited. On the first day Ms. Rupa Upadhyay was invited as culinary expert who taught the students 4 healthy and innovative recipes. On the second day, Ms. Rita Sharma was invited as culinary expert who taught the students 4 healthy and innovative recipes. On the third day the students were taught as to how to upload these recipes on YouTube and various other platforms thereby increasing their market reach and also the chances for employability can be increased.

On the first two days the session were followed by the Competition wherein the students prepared one dish of their own choice. Students enthusiastically participated in the learning activity as well as the ‘Innovative Cooking Competition’. The judging was done by the resource person as well as the internal faculty member and staff member. The judging was done considering several aspects like quick, innovativeness, beneficial to health etc. This entire activity was Co-ordinated by Dr. Urvi Shah, Innovation and SSIP Coordinator as well as Ms. Dipika Virpari, Co-cordinator, Innovation & SSIP under the continuous guidance and motivation from our visionary Principal Dr. Minal Raval.
