Saurashtra University – IIC

The university is dedicated to instruction, research, and extending knowledge to the public (public service). Ministry of Education (MoE), Govt. of India has established 'MoE's Innovation Cell (MIC)' to systematically foster the culture of Innovation among all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are informative years. Saurashtra University is one the Organization that have constituted the IIC to foster the vision of MoE and be a part for the promotion and development of innovation ecosystem.

Event Schedule

3:00	Registration Time
3:05	Welcome
3:10	Awareness session on Institution Innovation Day by Dr. Ramesh K. Kothari
3:55	Programme Feedback - Conclusion
4:00	Closing Ceremony

Brief about Event

Department of Bio Science In collaboration with SU Startup & Entrepreneurship Council & IIC Saurashtra University, had Celebrated Institution Innovation day on 15th October 2025 at 3:00 PM onwards.

The session was delivered by Dr. Ramesh K. Kothari, Professor and Head Department of Bioscience, Saurashtra University, On 15 October 2025, educational institutions across India commemorated the birth-anniversary of Dr. A.P.J. Abdul Kalam with a dedicated “Institution Innovation Day” aimed at fostering innovation, creativity and entrepreneurial mindsets among students and faculty. The day honoured Kalam’s enduring legacy as a scientist-statesman and his vision of empowering youth and building a developed India through knowledge and innovation.

Dr. Ramesh K. Kothari sir the event began with an inspirational address recalling Dr. Kalam’s journey from humble beginnings in Rameswaram to becoming the “Missile Man of India” and later the President of India. Participants were reminded of his oft-quoted message that “You have to dream before your dreams can come true,” setting the tone for a day of ideation and invention.

The program witnessed active participation from students, faculty, and budding innovators, the Institution Innovation Day 2025, held on the occasion of Dr. Kalam’s birth-anniversary, served as a meaningful platform to commemorate his legacy, ignite the spirit of invention among young learners, and chart the next steps for institutional innovation culture. The real measure of success will be seen in how many of the showcased ideas evolve into real-world solutions and how deeply the innovation mindset becomes embedded in the institution’s DNA.

The event concluded with an interactive Q&A session where students.

Key Points

During the session, below mentioned points were discussed:

- Promote Innovation & Entrepreneurship
- Show-case of Student/Faulty Projects & Start-ups
- Workshops, Panel Discussions, Talks
- Star Ratings / Performance Review
- Link to National Initiatives & Ecosystem Engagement
- Outcomes & Future Roadmap
- Awareness of Intellectual Property, Commercialisation & Impact

Outcome

successfully empowered students to showcase their creativity, problem-solving skills, and innovative thinking. Through various activities, workshops, and project exhibitions, students demonstrated their ability to apply theoretical knowledge to real-world challenges.

The event fostered collaboration, critical thinking, and entrepreneurship among participants, encouraging them to develop sustainable and technology-driven solutions. As a result, students

gained valuable experience in teamwork, communication, and innovation management, preparing them for future academic and professional endeavors. Overall, the outcomes highlighted the institution's commitment to nurturing innovation and promoting a culture of continuous learning and improvement.
