EXPERT NAME WITH DESIGNATION	Mr. Manish Revar Deputy Director National Education Policy (NEP) Cell, Mr. Iliyas Rasoolbhai Coordinator-NEP PIET.		

Objective

- To commemorate the 5th Anniversary of the National Education Policy (NEP) 2020 by highlighting its emphasis on **entrepreneurship**, **innovation**, and **experiential learning**.
- To create awareness among students and faculty about NEP 2020's initiatives supporting incubation, startup culture, and interdisciplinary learning.
- To encourage institutions to strengthen their role in fostering an innovationdriven ecosystem.

Learning Outcomes

By attending the program, participants were able to:

1. Gain a clear understanding of **NEP 2020 provisions related to incubation, startups, and innovation ecosystems**.

- 2. Recognize the opportunities for **experiential and interdisciplinary learning** as envisioned in the policy.
- 3. Understand the **institutional role** in promoting entrepreneurship and supporting students through incubation and mentorship.
- 4. Learn about practical ways to connect **academic learning with entrepreneurial ventures**.
- 5. Build motivation to pursue innovative ideas that align with **societal needs and cross-sector collaboration**.

Details of the Program

Event Overview

The program was organized as part of the nationwide celebration of the **5th Anniversary of NEP 2020**. The event brought together students, faculty, and innovation enthusiasts to explore how NEP 2020 can drive entrepreneurship and innovation in higher education institutions.

The program featured **two expert talk sessions** delivered by eminent speakers with deep experience in entrepreneurship and institutional innovation.

Session 1: Expert Talk by Mr. Manish Revar

Topic: Introduction to NEP 2020 Initiatives that Promote Incubation, Startups, and Experiential Learning

- Mr. Revar introduced participants to the vision and reforms of NEP 2020, emphasizing its focus on making education more flexible, multidisciplinary, and innovation-driven.
- He explained how NEP 2020 supports the creation of incubation centers, innovation cells, and entrepreneurship hubs within higher education institutions.
- He highlighted government-supported initiatives such as **Atal Innovation Mission, Smart India Hackathon, and Startup India programs** that align with NEP's vision.
- The talk covered the importance of **experiential learning methods** such as hackathons, internships, innovation challenges, and project-based assignments.

• He also encouraged students to **convert innovative ideas into startups** with the support of PIERC and other incubation facilities.

Session 2: Expert Talk by Mr. Iliyas Rasoolbhai

Topic: *Institutional Role in Driving Innovation – NEP 2020 Perspective*

- Mr. Rasoolbhai focused on the responsibility of higher education institutions
 in fostering a culture of creativity and innovation.
- He emphasized that NEP 2020 envisions a shift from rote learning to problem-solving, critical thinking, and interdisciplinary collaboration.
- The session highlighted the role of faculty mentors, innovation councils, and research ecosystems in shaping student entrepreneurs.
- He discussed how institutions can partner with **industry**, **government bodies**, and **funding agencies** to create a strong ecosystem for startups.
- The talk also underlined the need to integrate **entrepreneurship education into curricula** and provide continuous mentorship to budding innovators.

Program Highlights

- Both sessions were highly engaging, with **interactive discussions** between speakers and participants.
- Students raised queries on **funding opportunities**, **incubation support**, **intellectual property**, **and mentorship**.
- Faculty members discussed ways to incorporate **innovation-driven activities** into academic delivery.
- The program successfully linked policy-level vision with practical entrepreneurial pathways for students.

Conclusion

The celebration of the **5th Anniversary of NEP 2020** through these expert talks provided valuable insights on aligning **education with innovation and entrepreneurship**. The sessions inspired participants to explore **interdisciplinary solutions** and take active steps toward **startup creation and societal impact**, in line with NEP 2020's vision.

The program concluded with a note of encouragement for students and faculty to actively participate in incubation activities, innovation challenges, and entrepreneurial initiatives supported by PIERC and national-level schemes.
