Date: 14/11/2025

Time: 11:00 AM To 01:30 PM

Venue: Butler Polytechnic College, Vadodara

Total Participants: 60

Expert Speaker: Mr. Hemik Mehta (Regional Head - GISC Vadodara)

Mr. Vishal Nimse (Founder – The Carbon Footprints)

About GTU Venture:

Gujarat Technological University (GTU), established in 2007, has consistently been at the forefront of fostering innovation, entrepreneurship, and skills development in Gujarat. With a rich history of supporting over 750 startups and generating thousands of jobs, GTU has carved its niche as a leader in the startup ecosystem of the state. The launch of GTU Ventures aligns with the broader vision of scaling up the university's contributions to the state's economic development, supporting Hon'ble Prime Minister Shri Narendra Modi's vision for a Viksit Bharat@2047.

As part of our ongoing efforts to meet the ever-evolving demands of the industry and global education trends, GTU has unveiled the GTU Ventures, an umbrella initiative bringing together all of the university's efforts for innovation, entrepreneurship, and industry collaborations.

The launch of GTU Ventures aligns with the broader vision of scaling up the university's contributions to the state's economic development, supporting Hon'ble Prime Minister Shri Narendra Modi's vision for a Viksit Bharat@2047.

About The Event:

The aim of today's session was to guide students in recognizing real-world problems and learning effective approaches to develop practical, impactful solutions. The event was designed to foster an innovation-driven mindset and encourage students to build robust startup ideas aligned with societal needs.

Session Highlights:

- The workshop facilitated understanding of key aspects in problem identification and solution development for start-ups.

- Student engagement was notably high, with active participation throughout interactive sessions.
- Attendees confidently asked questions and expressed a strong interest in entrepreneurial concepts.
- Activities and discussions promoted critical thinking and creative approaches to addressing challenges.

Participants Feedback & Engagement:

- The response from students exceeded expectations, with enthusiastic involvement in group and individual exercises.
- Students displayed curiosity and eagerness to learn, contributing meaningful insights during open discussions.
- The vibrant atmosphere was a testament to the collective commitment to learning about entrepreneurship and innovation.

Acknowledgement:

- GTU Ventures extends heartfelt appreciation to all student participants for their energy and commitment, which ensured the success of today's event.

Conclusion

The event successfully achieved its goals by nurturing the innovation mindset among students and equipping them with practical tools for startup idea generation. GTU Ventures – Regional Hub, Vadodara looks forward to organizing more such impactful workshops and continuing to empower young innovators in the region.
