Report of "Internal Hackathon for SIH 2025" organized at Government Engineering College, Rajkot (ED Cell & SSIP Cell)

25/09/2025

The Government Engineering College, Rajkot successfully organized the Internal Hackathon for Smart India Hackathon (SIH) 2025 on 25th September 2025 at the Electrical/PI Lab, CoE Building.

A total of 64 enthusiastic teams participated in the event, showcasing their innovative ideas and technical skills to solve real-life problems aligned with the objectives of SIH. After rigorous evaluation, 29 teams were nominated to represent the institute at the Smart India Hackathon 2025. The event was coordinated by the SSIP Cell of the institute, ensuring smooth conduct and effective management throughout the day. The judging panel comprised esteemed faculty members, and special thanks are extended to **Prof. Parth Sejpal** and **Prof. Bhagirath Bhatt** for their valuable time and expertise in evaluating the projects and guiding the participants. The event not only provided a platform for students to demonstrate creativity and problem-solving abilities but also encouraged a spirit of teamwork and innovation. The shortlisted teams will now proceed to the next level of the national-level competition, carrying forward the pride of GEC Rajkot.
