Guest/Expert (External/Internal): Internal Faculty and Students of E-Cell Club

- Mr. Milan Trivedi, IIC Coordinator,
- Dr. Anjali Mishra, SSIP Coordinator,
- Mr. Mineshkumar Prajapati, Head Incubation,
- Nirva Mehta, President, Entrepreneurship Club, IAR University
- Kashish Jain, Member Secretary, Entrepreneurship Club, IAR University

Brief Profile of the Experts:

Mr. Milan Trivedi is Assistant Professor & IIC Coordinator in IAR University. Dr. Anjali Mishra is Assistant Professor & SSIP Coordinator at IAR University. Mr. Mineshkumar Prajapati is Head Incubation at IAR University. The main purpose of organizing the event is to celebrate the National Education Day among School Students of Standard 8 & Standard 9.

Objective of the Event:

The major objective of the event is below:

- **To commemorate the birth anniversary of Maulana Abul Kalam Azad**, India's first Minister of Education and a visionary leader in promoting education and literacy.
- **To create awareness about the importance of education** in shaping the future of individuals and the nation.
- **To encourage students to pursue knowledge, innovation, and lifelong learning** as essential components of personal and societal development.
- **To promote inclusive and quality education for all**, in line with national educational policies and goals.
- **To highlight the role of teachers and educational institutions** in nurturing talent and building an educated society.
- **To inspire students to develop critical thinking, creativity, and leadership skills** through various academic and co-curricular activities.
- **To spread awareness about government initiatives and schemes** that support education and skill development.

Brief Overview of the Event:

Dr. Anjali Mishra, Assistant Professor & SSIP Coordinator has given detailed information about the Institute of Advanced Research University, Gandhinagar. She has given information regarding School of Biotechnology and Bioresearch (SBB), School of Computing and Technology (SCT) and School of Business and Management (SBM). She has explained about support provided from the University for the Research.

Mr. Milan Trivedi, Assistant Professor & IIC Coordinator, explained the significance of National Education Day.

He highlighted the remarkable contributions of Maulana Abul Kalam Azad, India's first Minister of Education as below:

- ✚ **Established key institutions:** He founded the *Indian Institute of Technology (IIT) Kharagpur in 1951*, the *University Grants Commission (UGC) in 1953*, and *the Central Institute of Education in Delhi* (now the Department of Education at Delhi University).
- ✚ **Promoted science and technology:** He recognized the importance of scientific and technological development, *laying the groundwork for institutions like the IITs and IIMs*.
- ✚ **Championed universal education:** He advocated for *free and compulsory education up to age 14 and emphasized the need for teacher training*.
- ✚ **Strengthened cultural ties:** He established the Indian Council for Cultural Relations to promote cultural connections between India and other countries.
- ✚ **Modernized higher education:** He laid the foundation for modern higher education in India with a liberal and humanistic approach.

Session on “Role of Renewable Energy in Sustainable Future” from Entrepreneurship Club, IAR University

Ms. Nirva Mehta, President of the Entrepreneurship Club, IAR University, and Ms. Kashish Jain, Member Secretary of the club, conducted an informative session on the “Role of Renewable Energy in a Sustainable Future.”

During the session, they explained the importance of renewable energy and discussed various types of sustainable energy sources, including:

- Solar Energy
- Wind Energy
- Hydropower
- Biomass Energy
- Geothermal Energy
- Tidal Energy
- Wave Energy
- Hydrogen Energy

The session helped participants gain a better understanding of how renewable energy can contribute to a greener and more sustainable future.

Outcome of the Event:

- Students gained valuable insights into the significance of National Education Day and learned about the remarkable contributions of Maulana Abul Kalam Azad to the Indian education system.
- The interactive sessions inspired students to develop curiosity towards learning, innovation, and academic excellence.
- Students acquired detailed knowledge about various sources of renewable energy and their importance in building a sustainable future.
- Volunteers from the Entrepreneurship Club organized a quiz on basic science concepts. Students who answered correctly were appreciated and rewarded with gifts by the IAR faculty members.

Feedback from Students:

The students of Standard 8 and Standard 9 from Swaminarayan Vidyamandir expressed great enthusiasm and satisfaction after attending the session. They were delighted to gain valuable knowledge about the **significance of National Education Day** and its historical importance. Additionally, the session on the **role**

of renewable energy sources in building a sustainable future helped them understand how clean energy solutions can contribute to environmental protection and long-term development. Overall, the event proved to be informative, engaging, and highly beneficial for the students.

Celebration of National Education Day

An Expert Session by E-Cell Volunteers of IAR University

11th November 2025

11:00 AM to 13:00 PM

BAPS Swaminarayan Vidyamandir, Randesan, Gandhinagar

National Education Day Celebration at Swaminarayan Vidyamandir, Raysan

On the occasion of National Education Day (11/11/2025), IAR University conducted an interactive and inspiring session for the students of Standards 8 & 9 at Swaminarayan Vidyamandir, Gandhinagar.

Dr. Anjali Mishra (Assistant Professor & SSIP Coordinator) opened the session with an introduction to IAR University.

Shri Milan Trivedi (Assistant Professor & IIC Coordinator) delivered an insightful talk on the significance of National Education Day.

Our Entrepreneurship Club volunteers — Nirva Mehta and Kashish Jain — shared engaging information on National Education Day and emphasized the importance of renewable energy in protecting the environment.

More than 80 enthusiastic students participated, making the event impactful and memorable.
