Expert talk (Seminar) on “Preparation of competitive government exams including Food safety officer” organized at MIDFT, Mehsana on 5th Dec. 2025

The Innovation Cell (SSIP) at Mansinhbhai Institute of Dairy & Food Technology, Mehsana organized a sensitization seminar on **“Preparation of competitive government exams including Food safety officer”** on 5th Dec 2025 under the Student Start-up & Innovation Policy (SSIP) 2.0 mandate. With regard to raise awareness and sensitize students to the emerging opportunities and advancements in food sector, an expert lecture was scheduled.

Shri. Harchand Gurjar, Food Safety Officer (FSO, Gujarat) was the guest speaker for an expert talk. He earned his B.ech (DT) around 2012 and joined Dairy Industry for few years. He has an experience of more than 7 years as FSO and recently he had also cleared Exam of Food Scientist.

About 80 students (B.Tech-Dairy Technology) were sensitized in his lecture. In beginning of the programme, Ms. Janki Suthar (Assi. Professor- Dairy Technology & Placement in-charge) facilitated the expert with a bouquet of flower and provided a brief introduction of the expert to the students. The expert shared his valuable experience and insights of scope after completing graduation with B.Tech (DT) degree including job prospects and preparation for competitive exams. He guided them how to read and cover whole syllabus in short span of time with systematic planning. He also briefed them importance of following a proper schedule in day to day life if they wish to prepare for the exams along with working, i.e. either in some job or as an entrepreneur.
