

Activity REPORT

"National Energy Conservation Day" Celebration - Poster Exhibition Competition

Under the visionary guidance of Principal Dr. Kamal Chhaya, Kavi shree Daad Government Arts and Commerce College, Paddhari, organized a 'Poster Exhibition Competition' on December 13, 2025, to mark the occasion of 'National Energy Conservation Day-14 December, 2025'. The primary objective of this program extended far beyond artistic expression. The goal was to ignite innovative thinking among the youth of rural areas regarding critical topics like Energy Conservation and Green Energy. The event aimed to encourage students to not only ideate but to transform these innovative concepts into viable Startups.

➤ Themes of the Competition:

Students prepared their posters and concepts based on the following practical themes:

1. **Solar Innovation in Agriculture:** New uses of solar power in irrigation or farming.
2. **Waste to Energy:** Generating energy from agricultural waste or other refuse.
3. **Smart Village & Power Saving:** Smart solutions to reduce electricity bills in rural homes or Panchayats.
4. **Low-Cost Energy Saving Solutions (Desi Jugaad):** Frugal and simple methods to save energy at the household level.
5. **Open Innovation:** Solutions to local problems (Water, Hygiene, Health) through innovation or startups.

➤ Participation

A total of 27 students participated in the competition with great enthusiasm.

- Distinguishing themselves from traditional poster presentations, **7 students** showcased original, practical, and **startup-ready ideas** focused on Solar Energy, Wind Power, and Waste-to-Energy.
- Participants provided concise and accurate scientific explanations of their models and concepts in 2-3 minute presentations.

➤ Faculty Interaction

All faculty members present actively engaged with the students, providing recent examples of Energy Saving, Energy Generation, and Sustainable Energy. They strongly encouraged students not to limit their ideas to paper but to leverage the SSIP (Student Startup and Innovation Policy) scheme to convert these ideas into actual Startups.

➤ Evaluation and Results

The posters and presentations were evaluated neutrally by Dr. Jagmal Karangia and Dr. Bhavesh Chandegara. Based on the criteria of innovation and presentation, the following students were declared winners:

- **1st Rank:** Rathod Parth Rameshbhai
- **2nd Rank:** Vaghela Hemat Hareshbhai
- **3rd Rank:** Dhenoja Divya Vallabhbhai

➤ Rewards and Incentives

The winners were felicitated with certificates and prizes. Further, it was announced that students with the best ideas will be selected for government grants under the SSIP scheme to further develop their projects and will be provided with necessary guidance.

➤ Conclusion

The entire event was successfully managed and coordinated by Mr. Purvesh Vaidya (Coordinator, Innovation Club & SSIP) and Dr. Jagmal Karangia. The event successfully fostered a spirit of scientific inquiry and entrepreneurship among the students.
