About Indus University:

Indus University (UGC Recognized) is one of the leading universities in Gujarat. It aims to bring social changes with education, skill development, research and innovation. The University offers Undergraduate, Postgraduate and Research Program in various disciplines of Aviation Management, Aircraft Maintenance, Architecture, Design, Engineering, Management, Computer Applications, Clinical Research, Hospitality Management, under the aegis of various constituent institutes of the University. We have state-of-art infrastructure and well qualified faculty to support teaching-learning, research and innovation.

About Hackathon:

The Indus Hackathon 2025, organized by the Department of Computer Science & Engineering (CSE), Indus Institute of Technology & Engineering (IIITE) at Indus University, provided a dynamic platform for students to showcase their innovation, problem-solving skills, and technical excellence. Aligned with the national Smart India Hackathon (SIH), this event aimed to address real-world challenges by fostering innovative solutions for critical societal problems. A hackathon is a social coding event where participants and enthusiasts-collaborate to build or improve Hardware and software solutions within a given timeframe. It encourages creative thinking, teamwork, and the development of practical solutions.

The event highlighted interactions with industry collaborators and Juries from different industries and academia. Keynote Address is delivered by Prof. (Dr.) Sandeep Chakravorty, Executive President, Indus University. The Chief guest Er. S.B. Vasava, Housing Commissioner, Gujarat Housing Board, Govt. of Gujarat and Guest of honour Er. Subhash Ghelani emphasized the importance of technology-driven innovation. The event was coordinated by Prof. Hiren Mer, Program Coordinator, along with his dedicated team of faculty and students, who worked tirelessly to ensure the success of the event. The ceremony concluded with a Vote of Thanks, marking the successful initiation of an exciting and enriching journey for all participants and the audience.

Event Details

Date: January 31, 2025

Venue:

1. Auditorium, Main Building, Indus University, Ahmedabad
2. Lab: B127 & B128, Bhawar Tower, Indus University, Ahmedabad

Organized by:

**Department of Computer Science & Engineering (CSE),
Indus Institute of Technology & Engineering, Indus University**

Prominent Dignitaries:

- **Chief Guest:**

Er. Sandeep Vasava

(Housing Commissioner, Gujarat Housing Board, Govt. of Gujarat)

- **Guest of Honor:**

Er. Subhash Ghelani (Chairman, IEI, GSC, Ahmedabad)

- **Invited Guests:**

Mr. Akash Padhiyar, CEO Akash Technolabs

Mr. V.B. Solanki, Deputy Director, Water Management Forum (WMF)

Distinguished External Jury Members:

- Mr. Akash Padhiyar, CEO, Akash Technolabs
- Ms. Dipti Kalaria, Sr. Solution Architect, Shiftlogic.io
- Mr. Bhavik Vora, Sr. Engineer, eInfochips
- Mr. Anand Shah, Engineer, eInfochips
- Ms. Poonam Patel, Director - The Line Tech, UK
- Mr. Bhavesh Gohel, Co-Founder & CTO Eleics Design Pvt. Ltd.
- Mr. Bakul Panchal, Assistant Professor LDCE Ahmedabad
- Mr. Nimesh Shah, Technical Manager, Intel India Ltd

Distinguished Internal Jury Members:

- Dr.Seema Mahajan,Head-Computer Engineering Department, Indus Institute of Technology & Engineering, Indus University
- Dr.Shruti Yagnik, Head-Information Technology Department, Indus Institute of Technology & Engineering, Indus University
- Prof.Bhavna Hotchandani, Head-BCA & MCA, Department of Computer Science, Indus Institute of Information and Communication Technology, Indus University
- Prof.Kirtan Rathod, Head,B.sc & M.sc, Department of Computer Science, Indus Institute of Information and Communication Technology, Indus University
- Dr.Khushbu Maurya, Assistant Professor-Computer Engineering Department, Indus Institute of Technology & Engineering, Indus University
- Dr.Dhiren Patel, Assistant Professor-Mechanical Engineering Department, Indus Institute of Technology & Engineering, Indus University
- Dr.Divyangna Gandhi, Assistant Professor-Electronics & Communication Engineering Department, Indus Institute of Technology & Engineering, Indus University
- Dr.Akshara Dave, Assistant Professor, Department of Computer Science, Indus Institute of Information and Communication Technology, Indus University

List of Themes:

Indus Hackathon 2025 featured **130 problem statements** categorized into two editions: Software and Hardware, covering eight key themes:

1. Smart Cities and Sustainable Development
2. Fintech and Digital Payments
3. Cybersecurity, Blockchain, and Data Privacy
4. Robotics and Drones
5. Disaster Management
6. Renewable / Sustainable Energy
7. Agriculture, FoodTech & Rural Development
8. MedTech / BioTech / HealthTech & Wellness Solutions

Technical Collaborators and Sponsors:

1. Indus Centre for Startups, Incubation & Innovation (ICSII)
2. Student Startup and Innovation Policy (SSIP)
3. Akash Technolabs, Ahmedabad
4. Setubridge Technolabs, Ahmedabad
5. AWS Academy
6. The Institution of Engineers, India (IEI)
7. Water Management Forum (WMF)
8. ElectroMech CloudTech Pvt. Ltd., Ahmedabad
9. Eleics Design Pvt. Ltd., Gandhinagar
10. eInfochips- An Arrow Company
11. The Line Tech, UK.

Participating Institutes:

A total of **57 teams** from **11 educational institutions** participated in the hackathon.

List of Participating Institutes are as follows:

Sr. No.	Institute / University Name	No. of Teams
1	Indus University, Ahmedabad	33
2	Pandit Deendayal Energy University (PDEU), Gandhinagar	09
3	Uka Tarsadia University, Surat	02
4	Government Polytechnic, Bhuj	01
5	Nirma University, Ahmedabad	01
6	New LJ Institute of Engineering & Tech, Ahmedabad	01
7	LDRP, Gandhinagar	01
8	Vishwakarma Government Engineering College (VGEC), Ahmedabad	02
9	Devang Patel Institute of Technology & Research, Changa, Gujarat	01
10	Charusat University, Depstar, Gujarat	01
11	Asha M. Tarsadia Institute of Computer Science, Surat	05

Indus Hackathon 2025

Rules And Regulations

- Team can have a minimum of 2 and maximum of 6 members including one girl as compulsory in each team.
- The mentor can be a faculty from your respective university/college.
- Mentors can guide the participants during the hackathon.
- The mentor is optional.
- Mentors will not be assigned by the organizing committee.
- Team can select only one problem statement.

Important Points

- Teams will have to pay a fee of INR 200/- per Member (Min 2 & Max 6 Members per Team) prior to the event for registration.
- Breakfast, Lunch & High Tea will be provided at University.
- No travel allowance will be provided.

Points to be covered in Presentation

- Details of Team Leader, Members ,Mentor(if any), College/University Name, Branch, Semester, E-mail Id and Contact Number.
- Name of Domain (Software/ Hardware)
- Problem Statement
- Abstract
- Scope & Objective
- Innovative solution
- Prototype
- Conclusion

Program Schedule

Indus Hackathon 2025

Itinerary of the Program

31st January 2025 at Auditorium, Indus University, Ahmedabad

Time	Program Schedule
08:00 AM to 08:30 AM	Reporting, Registration & Refreshment
08:30 AM to 09:20 AM	Hackathon Begins
Inauguration	
09:20 AM to 09:25 AM	High tea of Dignitaries & Guests with IU management in Board Room
09:25 AM to 09:30 AM	Arrival of Dignitaries & Guests in Auditorium
09:30 AM to 09:34 AM	Lamp Lighting & Saraswati Vandana
09:34 AM to 09:40 AM	Welcome Address by Prof. (Dr) Ishbir Singh, Director IITE, Indus University
09:40 AM to 09:50 AM	Introduction of the event: Indus Hackathon-2025 by Prof. Zalak Vyas , HoD CSE, IITE, Indus University
09:50 AM to 09:55 AM	Keynote Speech by Prof. (Dr) Sandeep Chakravorty, Executive President (Vice Chancellor) Indus University
09:55 AM to 10:00 AM	Address by Guest of Honor: Er.Subhash Ghelani, Chairman, IEI, Gujarat State Center, Ahmedabad

10:00 AM to 10:05 AM	Address by Chief Guest: Er.S.B.Vasava, Housing Commissioner, Gujarat Housing Board, Ahmedabad, Govt. of Gujarat
10:05 AM to 10:20 AM	Felicitation of Guests
10:20 AM to 10:22 AM	Vote of Thanks by MoC
10:22 AM to 10:25 AM	National Song
Inauguration Ends	
10:25 AM to 12:30 PM	Evaluation Round 1 (Auditorium)
12:30 PM to 01:30 PM	Lunch Break
01:30 PM to 02:45 PM	Hackathon continues
02:45 PM to 04:45 PM	Evaluation Round 2 (Auditorium)
04:45 PM to 05:00 PM	High-Tea Break
05:00 PM to 06:00 PM	Evaluation Round 3 (Final Round)- Auditorium
Valedictory Ceremony	
06:00 PM – 06:05 PM	Assembling of Staff Members & Students
06:05 PM – 06:12 PM	Valedictory Commencement
06:12 PM – 06:22 PM	Award Ceremony-Prize Distribution
06:22 PM – 06:27 PM	Vote of Thanks by Host of Event
06:27 PM – 06:30 PM	National Song

Event Brief

Department of Computer Science & Engineering (CSE), Indus Institute of Technology & Engineering (IITE), Indus University proudly hosted the **Indus Hackathon 2025**, a prestigious event aimed at fostering innovation, problem-solving, and technical excellence among students. The hackathon served as a dynamic platform for participants from various educational institutions to showcase their skills, compete, and collaborate in developing cutting-edge solutions for real-world challenges.

Opening Ceremony:

The event began with a warm and inviting atmosphere, setting the stage for an inspiring and engaging hackathon experience. The University Auditorium was abuzz with energy as dignitaries, guests, and participants gathered for the highly anticipated event.

Formal Proceedings:

As the dignitaries and guests transitioned to the auditorium, the formal proceedings of Indus Hackathon 2025 commenced with a traditional lamp lighting ceremony. This auspicious ritual was followed by a soulful rendition of Saraswati Vandana, invoking blessings for knowledge, creativity, and wisdom for all participants. The ceremony set a tone of reverence and inspiration, motivating everyone to strive for excellence.

Prof. (Dr.) Ishbir Singh, Chairperson of Indus Hackathon 2025 & Director of IITE, Indus University, delivered the welcome address and energized all the participants with positive energy. He extended a warm greeting to all participants and guests, setting the tone for the event with an emphasis on the importance of innovation and collaboration.

Prof. Zalak Vyas, Convener of Indus Hackathon & Head of the CSE Department at IITE, Indus University, introduced the Indus Hackathon-2025. She explained the purpose of the hackathon, its structure, and the potential for learning and growth for all participants, highlighting the event's focus on fostering problem-solving skills and creativity.

Prof. (Dr.) Sandeep Chakravorty, Executive President (Vice Chancellor) of Indus University, delivered the keynote speech. He underscored the significance of technology and innovation in today's world and highlighted how events like the hackathon play a crucial role in shaping future leaders in the field of technology.

Guest of Honor, Er. Subhash Ghelani, Chairman of IEI, Gujarat State Center, Ahmedabad, highlighted the role of engineering and technology in solving real-world challenges. He emphasized how current IT trends align with the **NEP 2020**, promoting technology to foster innovation and problem-solving. He also emphasized that initiatives like hackathons are crucial in nurturing young minds, enabling them to create practical solutions and contribute to national growth in line with NEP 2020's vision.

Event's Chief Guest, Er. S.B. Vasava, Housing Commissioner, Gujarat Housing Board, Ahmedabad, Govt. of Gujarat, encouraged participants to think beyond conventional boundaries and explore new solutions in the rapidly evolving tech landscape. He highlighted the transformative power of **AI-based technologies** like **machine learning** and **computer vision**, emphasizing their potential in areas such as smart cities, housing, and urban planning, and urged participants to use AI to develop innovative solutions for real-world challenges.

The dignitaries were then felicitated in recognition of their contributions and support for the event. Their presence and leadership were acknowledged with tokens of appreciation.

The event concluded with a heartfelt Vote of Thanks by **Asst. Prof. Zalak Vyas**, Convener of Indus Hackathon & Head of the CSE Department at IITE, Indus University, who expressed gratitude to the dignitaries, guests, participants, sponsors, and all involved in making the event a success.

Inauguration Ceremony ended with the National Song. This event was a grand success, setting the stage for an exciting and enriching journey for all participants in the Indus Hackathon-2025.

Hackathon Rounds Execution Flow:

The hackathon was conducted in three rounds:

Round 1 (R1) – Idea Presentation (10:25 AM – 12:30 PM)

- Participants presented their selected **problem statement** to the jury.
- They explained their proposed **solution**, key **technologies used**, and the overall approach.

Round 2 (R2) – Implementation & Evaluation (02:45 PM – 04:45 PM)

- Participants started **building their solution** and implemented the core functionalities.
- The jury evaluated their progress, providing **feedback and suggestions for improvement**.

Round 3 (R3) – Final Refinements (05:00 PM – 06:00 PM)

- Participants implemented the **final changes** as per jury suggestions from **Round 2**.
- Solutions were tested for feasibility, scalability, and effectiveness before the final evaluation.

Winner Details

1st Prize Winner with Prize Money (25000/-)

Team Number & Name : 56 Sensor Surge

Institute Name: Pandit Deendayal Energy University, Gandhinagar

Problem Statement: Wearable sensor with Artificial Intelligence for prevention of falls in elderly people (IH0808)

Theme: Medtech

2nd Prize Winner with Prize Money (15000/-)

Team Number & Name: 50 Howlers

Institute Name: Ahmedabad Institute of Technology

Problem Statement: The rehabilitation institutes involved in this activity face high therapy cases load and more number of student therapists with less number of therapy supervisors. Following this system in manual mode impedes providing prompt services. (IH0811)

Theme: Medtech

3rd Prize Winner with Prize Money (10000/-)

Team Number & Name: 41 Hacktivate

Institute Name: Indus University

Problem Statement: An App For Public Complaint Reporting And Status Monitoring For Ahmedabad Municipal Corporation (IH0109)

Theme: Smart Cities and Sustainable Development

1st Prize Winner

2nd Prize Winner

3rd Prize Winner

Conclusion

The Indus Hackathon 2025 was a resounding success, leaving a lasting impact on all who participated. It not only highlighted the immense talent and creativity of the students but also underscored the importance of innovation in addressing contemporary challenges. The event was a testament to Indus University's commitment to nurturing future leaders and innovators in the field of technology.

The University looks forward to hosting more such events that inspire and empower students to push the boundaries of knowledge and innovation.
