Introduction

The SSIP 2.0 Awareness Program, organized by our department, was conducted on 12th August 2025 at A-104 (DIT), Government Polytechnic, Surat. The session was delivered by Mr. Pragnesh Patel, Lecturer (DIT), and focused on introducing students to the opportunities offered under the Student Startup and Innovation Policy (SSIP) 2.0 of the Government of Gujarat. The program highlighted the importance of innovation, entrepreneurship, and state-level support for young innovators, while encouraging students to think creatively and explore innovative project ideas.

Objectives

- To create awareness among students about the Student Startup and Innovation Policy (SSIP 2.0).
- To encourage students to develop innovative ideas and explore entrepreneurship opportunities.
- To familiarize students with the funding, mentoring, and incubation support provided under SSIP 2.0.
- To motivate students to actively participate in innovation-driven projects and competitions.

Highlights

- Introduction to SSIP 2.0 Policy and its objectives.
- Explanation of innovation to startup journey for students.
- Real-life examples of successful student startups were shared to inspire participants.
- Interactive Q&A session where students cleared their doubts regarding SSIP funding at institute level

Outcomes of the Seminar

- Total 47 Students gained awareness about SSIP 2.0 and its benefits.
- Increased interest among students to work on innovative projects.
- Clear understanding of how to apply for SSIP funding and support.
- Students were motivated to transform ideas into prototypes with the help of mentors.

Conclusion

The SSIP 2.0 Awareness Program helped students understand the importance of innovation and entrepreneurship. They learned about the support and opportunities provided by the Government of Gujarat. The session encouraged students to think of new ideas and take the first step towards innovation.
