Description:

An SSIP (Student Startup and Innovation Policy) Awareness Program is organized for first-year students on 25/07/2025, 30/07/2025, 05/08/25, Friday, Wednesday, Tuesday. Total 134 students had participated in this seminar. It is a specialized initiative designed to educate and engage students with the policies and opportunities related to startups and innovation within the academic environment. This program aims to provide foundational knowledge about the SSIP framework, foster a culture of innovation, and guide students on how to leverage institutional financial support for entrepreneurial ventures.
