# ABOUT PANDIT DEENDAYAL ENERGY UNIVERSITY (PDEU)

Pandit Deendayal Energy University (PDEU), formerly known as Pandit Deendayal Petroleum University (PDPU), was established by the PDPU Act, 2007; Acts of the Gujarat Legislature and Ordinances promulgated and Regulations made by the Governor, in the State of Gujarat, India. The primary thrust areas for the university are to ensure Energy for All, creating a Larger Social Impact and Prepare the Youth for tomorrow. PDEU has NAAC accreditation with "A++" Grade CGPA of 3.52 out of 4.00 & Graded Autonomy by UGC.

The University addresses the need for trained and specialized human resources for the energy industry worldwide. It intends to expand students' and professionals' opportunities to develop an intellectual knowledge base with leadership skills to compete globally. This objective is being addressed through several specialized and well-planned undergraduate and postgraduate energy education programs and intensive research initiatives, in management, engineering and humanities.

# ABOUT SCHOOL OF LAW (SOL- PDEU)

The School of Law, Pandit Deendayal Energy University (PDEU) has been established as an institution of academic excellence and focuses on delivering quality education in law with emphasis on ethics, professionalism, and social responsibility. The school focuses on building competent legal professionals through academic training and practical exposure.

# ABOUT THE INDUCTION PROGRAM

The Induction Program was organized to introduce the institution and its working to the first batch of School of Law (SoL). Such programs provide essential information, guidance, and support to ease the transition to college. The program proved to be a stepping stone for the journey which guided students to integrate the academics with extra curricular activities for their holistic development.

## PURPOSE OF THE SESSION

The agenda of the session was to brief the new batch of law students about the importance of the role of an Incubation Centre in the entrepreneurial journey of the startup and encouraging the students to develop creative thinking. The session aimed to highlight the linkage between corporate and legal studies. It meant to familiarise students with the opportunities available at PDEU IIC in the form of internships and guidance.

# ABOUT THE SESSION

As a part of SoL Induction 2025, Ms. Sharvari Parikh – Team IIC conducted an introductory session for the students of the first batch of SoL at the PDEU campus. The session introduced PDEU IIC and its role in supporting startups. Students learned about the IIC's journey, services and success stories of incubated startups through a presentation.

In the talk, she emphasized how PDEU IIC played an important role in the academic sphere. Students were inspired to get engaged in corporate activities and the startup ecosystem which would develop their legal aptitude in the business world. Internships and other ways of associating with PDEU IIC and its incubated startups were discussed, allowing them to connect theoretical subjects like IPR, company law, and cyber law to real world scenarios. Concluding the session, Ms. Parikh presented PDEU IIC as a platform that nurtures impactful ideas.

# CONCLUSION

The session proved to be successful in explaining the role which PDEU IIC plays across the campus. It highlighted the practical application of legal studies in business and startup environments. Overall, the session inspired students to think like entrepreneurs and cultivate a campus environment where innovation and entrepreneurial ideas flourished.
