Details of Expert	: Ms. Annu Sharma, Assistant Professor, Sardar Patel College of Pharmacy
Name of Coordinator	: Dr. Mayur Rao (Asso. Prof) /Ms.Selvy Macquin (Asst. Prof.) SPCAM- MBA

1. Brief of Resource Person:

Dr. Annu, Assistant Professor at **Sardar Patel College of Pharmacy, Bakrol, Anand**, is an accomplished academician and researcher with a strong background in both teaching and industry. She has **3 years of teaching experience**, along with **1 year of industrial experience**, which provides her with practical insights into the pharmaceutical sector. With **over 5 years of research experience**, Dr. Annu has actively contributed to the advancement of pharmaceutical sciences. She has been awarded prestigious fellowships such as **ICMR (Indian Council of Medical Research)** and **DST (Department of Science & Technology)**, recognizing her contribution to innovative research. Her expertise lies in guiding young minds towards innovation, entrepreneurship, and translational research, bridging the gap between academic knowledge and industrial application.

2. Objective of Event:

1. To create awareness about innovation and entrepreneurship among students.
2. To provide knowledge about government schemes, incubation support, and funding opportunities for start-ups.
3. To encourage students to think innovatively and identify real-life problems that can be converted into entrepreneurial ventures.
4. To bridge the gap between academic knowledge and industry requirements through start-up culture.
5. To inspire students to develop entrepreneurial skills and contribute to the national innovation ecosystem.

3. Brief of the Event:

The Awareness Program on Start-up and Innovation was organized to inspire students to explore entrepreneurship and develop innovative thinking for solving real-life problems. The expert speaker highlighted the rapid growth of India's start-up ecosystem, supported by government initiatives like Start-up India and Digital India, and emphasized that innovation is not limited to technology but extends to fields like healthcare, education, agriculture, and services. Students were guided on the essential skills and mindset required to become successful entrepreneurs, including risk-taking, leadership, adaptability, and problem-solving. The session also introduced various support systems such as incubation centers, innovation councils, SSIP schemes, and funding opportunities available to young innovators. Real-life examples and case studies of successful start-ups were shared to showcase how simple ideas, backed by perseverance and creativity, can transform into impactful enterprises. The program concluded with an interactive discussion, motivating students to take their first steps toward entrepreneurship and reinforcing the idea that every successful start-up begins with a simple idea and the determination to pursue it.

Here's the **highlights** of the event:

- **India's Start-up Ecosystem:** One of the fastest growing, supported by initiatives like *Start-up India, Digital India, and Make in India*.
- **Innovation Beyond Technology:** Can emerge in healthcare, education, agriculture, services, and daily problem-solving.
- **Skills for Entrepreneurs:** Risk-taking, leadership, resilience, adaptability, problem-solving, and continuous learning.
- **Support Systems:** Incubation centers, innovation councils, SSIP schemes, government funding, and mentorship networks.
- **Real-life Examples:** Case studies of successful start-ups that turned small ideas into large enterprises by addressing social and market needs.
- **Interactive Session:** Students discussed their ideas and challenges, receiving motivation to take the first step toward entrepreneurship.

4. Benefits in terms of Learning/ Knowledge/ Skills obtained:

- **Enhanced Awareness:** Students understood the importance of innovation and start-ups in the pharmaceutical and healthcare industry.
- **Practical Knowledge:** Insights into government initiatives like **Start-up India, Atal Innovation Mission, and SSIP Gujarat**.
- **Skill Development:** Improved critical thinking, problem-solving, creativity, and entrepreneurial mindset.
- **Exposure to Opportunities:** Knowledge about funding agencies, incubation centers, and networking opportunities for future ventures.
- **Motivation for Innovation:** Encouragement to transform academic projects into viable business ideas and start-ups.
