Saurashtra University – IIC

The university is dedicated to instruction, research, and extending knowledge to the public (public service). Ministry of Education (MoE), Govt. of India has established 'MoE's Innovation Cell (MIC)' to systematically foster the culture of Innovation among all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are informative years. Saurashtra University is one the Organization that have constituted the IIC to foster the vision of MoE and be a part for the promotion and development of innovation ecosystem.

Brief about Event

A webinar on “Unlocking Opportunities: SSIP Grant Awareness” was organized by Government Arts and Commerce College, Liliya in collaboration with SU Start-up and Entrepreneurship Council (SUSEC), SPRIHA-IPR Chair and Institution’s Innovation Council (IIC), Saurashtra University on 12th December, 2025. The Webinar aimed on creating awareness about how young minds can transform their ideas into impactful ventures with the support of structured funding, mentorship, and institutional guidance.

The session was delivered by Mr. Parth Sejpal, IPR Chair Professor, SPRIHA IPR Chair, Saurashtra University, he highlighted real opportunities available under SSIP, the program encourages participants to think beyond conventional career paths and explore entrepreneurship as a viable option.

During the seminar, the awareness programme provided detailed insights into the financial assistance offered through SSIP grants, including support for idea validation, prototype development, startup scaling. Participants are guided through the eligibility criteria, application process, and evaluation mechanisms, ensuring they clearly understand how to access these benefits.

The speaker also discussed the importance of innovation, problem-solving, and research-driven thinking. It motivated students to identify real-world challenges and develop sustainable solutions that could create social and economic impact.

The seminar concluded with an interactive session where students actively participated by asking questions related to real-world problems, how mentorship is more important than funding, steps to be taken after getting a grant, which made the webinar successful.

Key Points

During the session, below mentioned points were discussed:

- Innovation and problem-solving
- SSIP & entrepreneurship
- Funding, eligibility, application process
- Importance of collaboration
- Research-driven approach

Outcome

The seminar successfully enhanced participants’ understanding of SSIP funding opportunities and the startup support ecosystem. It strengthened their knowledge of the application process, eligibility, and utilization of grants. Students developed a clearer perspective on innovation, problem-solving, and entrepreneurship. The session also boosted their confidence to take initial steps toward building their own ventures.
