Saurashtra University – IIC

The university is dedicated to instruction, research, and extending knowledge to the public (public service). Ministry of Education (MoE), Govt. of India has established 'MoE's Innovation Cell (MIC)' to systematically foster the culture of Innovation among all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are informative years. Saurashtra University is one the Organization that have constituted the IIC to foster the vision of MoE and be a part for the promotion and development of innovation ecosystem.

Brief about Event

SU Startup & Entrepreneurship Council In Collaboration With IIC, Saurashtra University organized a workshop on “International Women’s Day” on 7th march, 2026 on 03:00PM onwards at Department of Statistics, Saurashtra University. The initiative reflects a commitment to promoting an inclusive environment where women are encouraged to share ideas, explore opportunities, and contribute to the growing startup and innovation ecosystem.

On the occasion of International Women’s Day, an inspiring program is being organized to celebrate and encourage the spirit of innovation, leadership, and empowerment among women. The event aims to recognize the achievements of women and motivate them to take active roles in entrepreneurship, creativity, and leadership across various fields.

The event will feature inspiring discussions and interactions designed to highlight the importance of women’s participation in innovation and entrepreneurship. It will provide a platform for students and aspiring entrepreneurs to gain insights, exchange ideas, and learn about opportunities that can help them develop their potential.

Through this program, participants will be encouraged to embrace leadership roles and pursue innovative thinking that can lead to meaningful change in society. The celebration of International Women’s Day through such initiatives helps strengthen confidence, inspire creativity, and support the growth of women leaders for the future.

Key Points

- Importance of celebrating women’s achievements in innovation, entrepreneurship, and leadership.
- Encouraging women to take active roles in startups and creative ventures.
- Inspiring confidence and self-belief among aspiring women leaders.
- Showcasing stories of successful women entrepreneurs as role models.
- Interactive sessions to promote idea-sharing, creativity, and problem-solving.
- Emphasizing the significance of mentorship and guidance for women innovators.
- Promoting gender equality and inclusion in entrepreneurial and professional ecosystems.
- Linking women empowerment with leadership, innovation, and community impact.
- Highlighting opportunities for skill development and entrepreneurial growth.
- Encouraging collaboration, networking, and building supportive women-centric ecosystems.

Outcome

The International Women's Day program successfully inspired and motivated women to embrace innovation, leadership, and entrepreneurship. Participants gained valuable insights into the importance of confidence, creativity, and proactive engagement in professional and startup ecosystems. The event provided a platform for networking, idea-sharing, and learning from successful women role models, encouraging attendees to pursue their entrepreneurial ambitions. It also highlighted the significance of mentorship, collaboration, and gender equality, fostering an environment where women feel empowered to take on leadership roles and contribute meaningfully to innovation and societal growth. Overall, the program strengthened awareness about women's potential in shaping the future of startups, business, and community development.
