

A Report on
SSIP Awareness Program
Organized by
Swami Gansyam Jivandasji Institute of Management and IT

Date: 22nd August

Venue: SGJ College

An SSIP Awareness Program was organized on 22nd August at SGJ College to inform students about innovation and startup opportunities. The main aim of the program was to encourage students to develop creative ideas and become entrepreneurs.

The speaker explained the benefits of the Student Startup and Innovation Policy (SSIP), including financial support, mentorship, and the process of submitting startup ideas. Students actively participated and showed interest in learning about new opportunities.

The program was informative and motivated students to think innovatively and explore entrepreneurship.
