

A Report on

Patenting Session

Organized by

Swami Gansyam Jivandasji Institute of Management and IT

Date :- 15 - 12 -2025

A session on patenting was conducted on 15th December at the SGJ Auditorium. The objective of the session was to create awareness about the importance of patents and intellectual property rights among students and faculty.

The resource person explained the concept of patents, the process of filing a patent, and its benefits in protecting innovative ideas. The session also highlighted the role of patents in research, entrepreneurship, and economic development.

Participants actively engaged in the session and gained valuable knowledge about how to secure their inventions legally. Overall, the program was informative and beneficial for all attendees.
