

## **A Report on**

### **Start-up Grant Application Program**

#### **Organized by**

**Swami Gansyam Jivandasji Institute of Management and IT**

**Date :- 09- 02 -2026**

**The Start-up Grant Application Program was organized at SGJ College with the objective of encouraging students to explore entrepreneurial opportunities and gain knowledge about funding support for innovative ideas. The event aimed to guide participants on how to prepare and submit effective grant applications for start-ups.**

**During the program, experts provided detailed insights into various government and institutional funding schemes available for start-ups. They explained the step-by-step process of applying for grants, including proposal writing, documentation, and evaluation criteria. Students were also informed about important initiatives such as Startup India Initiative, which supports budding entrepreneurs.**

**The session included practical guidance on identifying viable business ideas, preparing business plans, and presenting them effectively to funding agencies. Participants actively engaged in discussions and clarified their doubts regarding eligibility, funding limits, and application procedures.**

**Overall, the program was highly informative and beneficial for students interested in entrepreneurship. It enhanced their understanding of start-up funding and motivated them to convert their innovative ideas into successful ventures.**
