

A Report on

Expert Talk Report

Organized by

Swami Gansyam Jivandasji Institute of Management and IT

An expert talk was organized at SGJ College on 17th June. The session was delivered by Ms. Bhoomika Pathak, who shared her valuable knowledge and insights on the subject. The talk was informative and engaging, providing students with practical understanding and new perspectives.

Ms. Pathak explained key concepts in a simple and effective manner, making it easy for students to grasp the topic. She also highlighted real-life examples and current trends, which made the session more interesting and relevant.

Students actively participated in the session and asked questions, making it interactive. The expert talk proved to be beneficial in enhancing students' knowledge and motivation.

Overall, the session was successful and appreciated by both students and faculty.
