**Title of the Event:** Expert Lecture on Beekeeping and Mushroom Cultivation

**Occasion:** World Entrepreneurs' Day Celebration

**Date & Time:** 21st August 2025, 2:30 PM

**Venue:** Biology Theater

**Expert Speaker:** Mr. Jatin H. Solanki

### Introduction

On the occasion of World Entrepreneurs' Day, an expert lecture was organized at Bahauddin Science College on 21st August 2025. The objective of the program was to inspire students towards entrepreneurship and to provide them with insights into innovative opportunities in Beekeeping and Mushroom Cultivation, two fields with great potential in sustainable agriculture and rural startups.

### About the Expert

The invited speaker was Mr. Jatin H. Solanki, founder of Madhuvanti (established in 2019). His enterprise works across several areas, including:

- ✚ Beekeeping
- ✚ Mushroom Cultivation
- ✚ Vermicomposting
- ✚ Herbal Products

He shared his entrepreneurial journey and gave detailed information about value-added products such as flavoured honey, Honey Rose Gulkand, Mushroom Powder, and Dry Mushrooms. His story of turning passion into a successful enterprise was an inspiration for the youth.

### Highlights of the Lecture

#### 1. Beekeeping:

- ✓ Importance of bees in pollination and biodiversity.
- ✓ Hive management and honey production.

- ✓ Marketing of honey and allied products.
- ✓ Government support and entrepreneurial scope.

## 2. Mushroom Cultivation:

- ✓ Nutritional and economic value of mushrooms.
- ✓ Cultivation and preservation techniques.
- ✓ Value-added products such as mushroom powder.
- ✓ Opportunities for startups and self-employment.

## 3. Entrepreneurial Insights:

- ✓ How youth can create startups instead of relying only on jobs.
- ✓ Importance of innovation, branding, and market study.
- ✓ Examples of success stories from Madhuvanti and other entrepreneurs.

The program was guided by Dr. R. P. Bhatt, Principal, who delivered an inspiring speech on the importance of entrepreneurship in shaping India's economy. He also presented several case studies of successful entrepreneurs, motivating the students to adopt innovative thinking and entrepreneurial spirit.

The event was successfully organized under the coordination of:

- Dr. M. M. Jani, SSIP Coordinator
- Dr. Hardika Goswami, Innovation Club Coordinator

## Participation and Impact

More than 150 students and 10 faculty members attended the session. The program was highly interactive, with students actively engaging in discussions. The lecture broadened awareness of agriculture-based startups and provided motivation to explore entrepreneurship as a career path.

## Conclusion

The expert lecture by Mr. Jatin H. Solanki proved to be an enriching experience for both students and faculty. With the guidance of Dr. R. P. Bhatt Sir and the dedicated efforts of the coordinators, the event successfully inspired participants to think beyond traditional jobs and consider entrepreneurship as a viable and rewarding career path.
