“PoC Project Screening”

Under

Student Startup Research and Innovation

Venue

TPO Room, Admin building
Government Polytechnic,
Godhra

Date: 10-02-2026

PoC Project Screening meeting was held by SSIP 2.0 Cell of the organization on 10-02-2026 at 12.00 hrs. PoC Project Proposals submitted by the student teams were evaluated to scrutinize them for financial assistance based on their project potential.

The Institute Level Scrutiny Committee (ILSC) of Government Polytechnic Godhra convened on 10-02-2026 to conduct the initial screening of Proof of Concept (PoC) proposals submitted by student innovators. A total of **04 (Four)** PoC projects were scrutinized during the session. All four projects were evaluated based on novelty, feasibility, technical depth, and market potential. Post evaluation, the committee sanctioned all four projects for Financial assistance.

Team presents their PoC Project Proposal to Scrutiny Committee
