Report on SSIP Sensitization Program :

The SSIP Sensitization Program was successfully organized on 21st August 2025 at Government Science College, Bagasara. The program aimed to create awareness among students about the Student Start-up and Innovation Policy (SSIP), its benefits, and opportunities for fostering innovation and entrepreneurship.

The session was held under the guidance of Principal Dr. R. P. Bhatt coordinated by SSIP Coordinator P. B. Dodiya and SSIP Co-Coordinator Dr. G. K. Rathod. P. B. Dodiya explained the objectives of SSIP, the process of idea submission, funding opportunities, and the role of innovation in solving real-life problems. Students were also informed about various facilities and support available under the scheme, including mentorship, prototype development, and incubation support.

Following this, Dr. G. K. Rathod motivated students to come forward with innovative ideas and utilize the SSIP platform for nurturing them.

The program witnessed enthusiastic participation of students, who interacted actively during the discussion session and expressed interest in working on innovative projects.

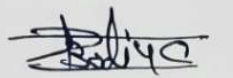

Overall, the event proved to be insightful and inspiring, successfully sensitizing students towards innovation and entrepreneurship through SSIP.
