The SSIP and Innovation Club of **Government Commerce and Science College, Dahej** celebrated **National Start-up Day** on **16 January 2026** by organizing an **online quiz competition** for students, with the objective of creating awareness about entrepreneurship and the start-up ecosystem.

The program began with an introductory session conducted by **Dr. Gourav Upadhyay**, Coordinator of the Innovation Club. He initially briefed the students about the significance of **National Start-up Day**, which was initiated in **2016** to promote innovation and entrepreneurship among youth. He also elaborated on the **start-up ecosystem in India with special reference to Gujarat**, highlighting the role of government initiatives, institutional support, and educational institutions in nurturing start-ups.

During the session, Dr. Upadhyay shared insights about various successful start-ups, their history, slogans, founders, and contributions to society and the economy. He also explained the **start-up ecosystem within the college**, including the role of SSIP and the Innovation Club in encouraging students to develop entrepreneurial skills and innovative ideas.

At the end of the session, an **online quiz** was circulated among the students. The quiz included questions related to:

- Start-up concepts
- Identification of start-up icons and logos
- Start-up slogans
- History and contributions of renowned start-ups
- Other interesting and knowledge-based questions

A total of **51 students** actively participated and attempted the quiz. The students showed great enthusiasm and were highly motivated by the interactive quiz and the informative session. The activity successfully enhanced students' awareness and interest in entrepreneurship and innovation.

The entire program was smoothly coordinated under the guidance of **Dr. Leena Dave, Principal, Government Commerce and Science College, Dahej**, whose continuous support made the event successful.
