## **Report on Participation in Two-Day Prototyping Workshop at Knowledge Consortium of Gujarat, Ahmedabad**

A two-day Prototyping Workshop was organized by the SSIP, SEP, and Innovation Club of Knowledge Consortium of Gujarat, Ahmedabad, from 10th to 13th February 2026, which was successfully completed with enthusiastic participation from students across various institutions.

The workshop witnessed participation from more than 170 students across four batches, providing a vibrant platform for collaborative learning and innovation.

From Bahauddin Arts College, Junagadh, a total of five students participated in the workshop during 12th and 13th February 2026. The participating students were:

1. Dharecha Jyoti D
2. Manek Payal
3. Nandaniya Roshni
4. Sanjava Vishal
5. Varu SumitSS

The students were accompanied and guided by SSIP Coordinator, Dr. Dipika Kevlani, who facilitated their participation and encouraged active engagement throughout the workshop. The workshop focused on hands-on training in prototyping techniques, including exposure to various tools and methodologies essential for developing innovative models. Through practical sessions, students gained valuable insights into converting theoretical ideas into tangible prototypes. This experiential learning opportunity significantly enhanced the students' understanding of innovation processes. It inspired them to transform their creative ideas into workable prototypes, thereby fostering creativity, innovation, and problem-solving skills. Overall, the participation of students from Bahauddin Arts College in this workshop proved to be highly beneficial, equipping them with practical knowledge and motivating them to actively engage in future innovation-driven initiatives under SSIP. At the end of the workshop, all the students were asked to present a business model idea and submit the same in the form of Assignment. Students and Coordinator were given certificates for successful completion of the workshop.
