

## **Campus Shark Tank competition and sensitization program of SSIP 2.0**

**Campus Shark Tank competition and sensitization program of SSIP 2.0** was organized on 25-02-2026 at Government Polytechnic, Dahod. In the Campus Shark Tank competition, the participants confidently presented their innovative ideas and showcased their thinking and reasoning skills through question-and-answer sessions. The clear statement of the problem, practical solutions and effectiveness of the presentation – all these aspects made the competition lively. The confidence on stage and the energy flowing in the audience was clearly felt. The competition inspired entrepreneurship, leadership and the courage to think in new directions among the students. The competition was co-ordinated by Shri J. G. Modi, Lecturer-Mechanical Engineering and judged by Dr. P. V. Singh, Lecturer-Physics, Shri M. N. Patel, Lecturer-E.C. Engineering, and Dr. U. K. Ganatra, Lecturer-English.

At the end of session, Dr. P. V. Singh, Lecturer-Physics and SSIP Coordinator, G. P. Dahod informed students about SSIP 2.0 scheme. He shared his views on:

- Various schemes and funding opportunities under SSIP
- Steps to convert an idea into a startup
- Guidance on proposal submission and evaluation process

Total 17 students attended the sensitisation program. The photographs of the said event are as follows:
