

Report on “IgniteX – The Startup Arena” State-Level Startup Fest

“IgniteX – The Startup Arena,” a state-level startup fest (seminar), was successfully organized on **23rd February 2026** at **Room No. 204, Government Science College, Valod**, starting at **12:00 PM**. The event witnessed enthusiastic participation, with a total of **68 students registered**, out of which **57 students were present**.

The program was conducted under the guidance of the Principal, **Dr. B. H. Parmar**, who served as the patron of the event. The seminar was graced by distinguished guests including **Dr. Chetan Pandya**, Senior Scientist at Krishi Vigyan Kendra, Vyara, and **Mr. Praveen Sindal**, Co-founder of STC Creative Club, Navsari.

The seminar featured insightful sessions on contemporary and relevant topics such as:

- Cybersecurity: The Next Billion-Dollar Startup Idea
- From Student to AgriTech Entrepreneur
- IoT Startups in 2026: Opportunities & Market Trends

With the objective of fostering entrepreneurial spirit among students, a total of 12 startup ideas were presented for grant consideration. All proposals were thoroughly evaluated by the institution's SSIP Committee. The committee comprised the Principal, both resource persons, coordinators of SSIP and Innovation Club, and Mr. Nitin V. Karamta, Assistant Professor, Department of Chemistry.

After a detailed review process, 5 startup ideas were selected for funding out of the 12 proposals.

The event was jointly organized and effectively executed by Mr. Shrey S. Chaudhary, SSIP Coordinator (Assistant Professor, Mathematics), and Mr. Parthkumar S. Panchal, Innovation Club Coordinator (Assistant Professor, Physics).

"IgniteX – The Startup Arena" proved to be a highly motivating platform that encouraged students to explore innovation, research, and entrepreneurship. The program successfully inspired young minds to pursue startup ventures, with the hope that such initiatives will continue to nurture future entrepreneurs.
