

Report on State-Level Two-Day Workshop
“From Idea to Prototype: A Hands-on Innovator's Workshop”

A state-level two-day workshop titled “**From Idea to Prototype: A Hands-on Innovator's Workshop**” was successfully organized at **Government Science College, Valod** on **2nd and 3rd March 2026**. The workshop was jointly conducted by the **Innovation Club, SSIP Cell, and CAWACH**. A total of **65 students registered** for the workshop and actively participated in various sessions, gaining valuable insights and hands-on experience.

The program was organized under the guidance and permission of the Principal, **Dr. Bhadreshbhai H. Parmar**. The entire event was efficiently planned and executed by **Mr. Parthkumar S. Panchal**, Innovation Club Coordinator, and **Mr. Shrey S. Chaudhary**, SSIP Coordinator and CAWACH Nodal Officer (Assistant Professor, Mathematics).

The workshop featured a series of informative and motivational sessions focused on innovation, prototyping, and entrepreneurship:

- **Session 1:**
Dr. Arpit J. Dhodiya, Agricultural Scientist, Krishi Vigyan Kendra, Vyara, delivered an insightful session on “*Rapid Prototyping: Tools, Techniques and Mindset*”, providing detailed guidance on modern prototyping approaches.
- **Session 2:**
Renowned as Gujarat’s “Mushroom Lady,” **Mrs. Anjanaben Gamit** shared her expertise on mushroom production and its entrepreneurial potential, inspiring students with practical insights.

- **Session 3:**
Mr. Pratik Chaudhary explained the research and significance of seedless lemon in the agricultural sector, highlighting innovation in agri-based practices.
- **Session 4:**
Dr. Chetan D. Pandya, Senior Scientist and Head, Krishi Vigyan Kendra, Vyara, conducted a session on *"Developing Entrepreneurial Skills, Attitude and Behaviour"*, emphasizing essential traits required for successful entrepreneurship.
- **Session 5:**
Mr. Praveen J. Sindal, Co-founder of STC Creative Club, Navsari, delivered a session on *"Prototype Design: Learning from Innovators"*, focusing on design thinking and learning from real-world innovators.
- **Session 6:**
Mr. Vishal Vadhiyar, Founder of STC Creative Club, Navsari, conducted a session on *"From Idea to Initiative: Developing Entrepreneurial Behaviour"*, guiding students on transforming ideas into actionable initiatives.

The primary objective of the workshop was to develop interest, confidence, and skills related to innovation and entrepreneurship among students. The sessions encouraged participants to think creatively, develop prototypes, and actively engage in startup-oriented activities.

The workshop was organized under the Innovation Club Grant provided by the Office of the Commissioner of Higher Education, Education Department, Government of Gujarat, with valuable support from Krishi Vigyan Kendra, Vyara.

At the conclusion of the workshop, students expressed enthusiastic feedback and a strong commitment to pursue innovative projects and entrepreneurial ventures in the future.
