

LIVE PODCAST 2.0

Event Name: LIVE PODCAST 2.0

Date: 23/02/2026

Venue/ Mode: Aryabhata Hall, LDCE

No of Participants: 282 students

Speakers Name : Mr. Darshan Gattani

About Event:

A live podcast session featuring the founder of Stroom, offering an engaging and insightful experience for all attendees. The session highlighted the founder's entrepreneurial journey, including the challenges faced, key milestones achieved, and the vision behind building Stroom. It provided valuable insights into innovation, decision-making, and adapting to changing market trends.

The interactive nature of the live podcast allowed participants to actively engage, ask questions, and gain practical knowledge directly from the speaker's experiences. This created a dynamic environment where ideas and perspectives were shared openly. The discussion on leadership and problem-solving especially resonated with aspiring entrepreneurs.

Overall, the event was both informative and inspiring, encouraging attendees to think creatively and confidently pursue their goals. It successfully blended learning with interaction, making it a memorable and impactful experience for everyone involved.

Outcome of Event:

The podcast inspired attendees with practical entrepreneurial insights and motivated them to pursue their ideas with confidence.
