Celebration of 'Entrepreneurship Day' at Khergam College

Report

Date: 22/08/2025

On Friday, 22nd August 2025, under the guidance of the Principal Dr. S.M. Patel, **Government Arts, Commerce, and Science College, Khergam, Dist. Navsari**, celebrated '**Entrepreneurship Day**' as part of the activities of the **Commerce Department**.

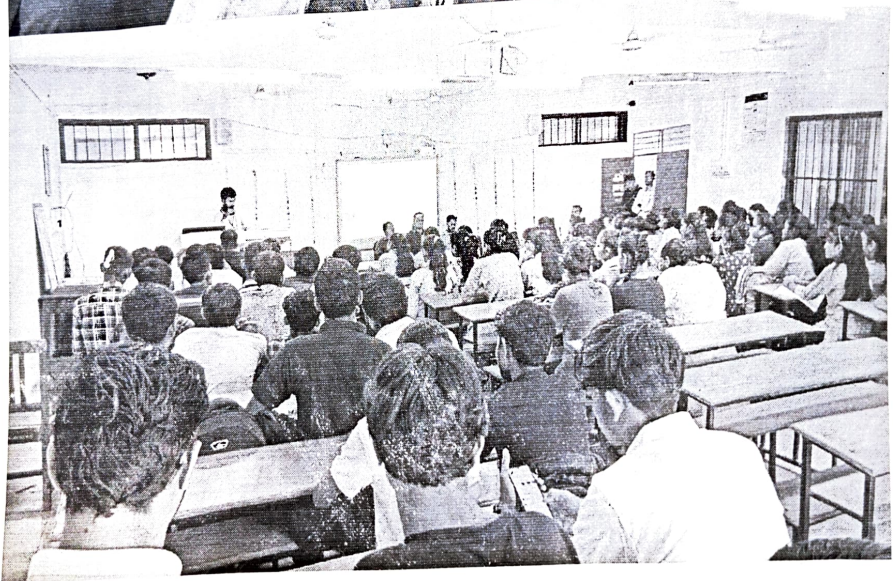

The Principal addressed the students, providing insights on **entrepreneurship** and explained how students can develop into entrepreneurs. He also informed them about **financial support available through the Gujarat Government's SSIP (Student Start-up and Innovation Policy)** scheme, which helps overcome financial barriers.

Following that, **Prof. Jigar Kumar V. Parmar** from the Commerce Department explained the **significance of celebrating Entrepreneurship Day**. He presented inspiring examples of entrepreneurs such as **Steve Jobs, Elon Musk, Dharampal Gulati (MDH), and Dhirubhai Ambani**. He emphasized that **entrepreneurship is not just about creating job providers, but also plays a crucial role in the economic growth of the country**. As India moves toward the goal of "**Aatmanirbhar Bharat**" (Self-Reliant India), it is imperative for the youth to embrace entrepreneurship. He also highlighted how colleges are now initiating activities like **Business Clubs, Innovation Centers, and Startup Incubators**, with the core objective of shaping students to become **job creators rather than job seekers**. He further discussed that to become a successful entrepreneur, one needs to possess qualities such as **vision, planning, risk-taking ability, leadership, continuous learning, and innovation**.
