

### **Certificate Course on Innovation and Startup Strategy**

A 30 hours Certificate Course on Innovation and Startup Strategy was organized by SSIP and Innovation Club of MVM Science and Home Science College, Rajkot under the aegis of KCG Gujarat, from 25/08/25 to 6/09/25. The course was designed with the following objectives-

- Orient students towards the role of Innovation Club and SSIP Cell
- Build their confidence and ignite their minds to think in the direction of innovation and startups

Topics included in the course gave deep insight on the objectives. Experts invited from different areas threw light on spectrum of topics resulting in 12 startup proposals from a group of total 39 students. Visit to the Incubation Center of Saurashtra University, and interaction of the students with ongoing project innovators served to further boost the spirits of the students and take steps in the direction of innovation and startups.
