

Report on Training Program “The Digital Counsel: Integrating AI Legal Technology & Web Innovation in Modern Law & Business”

Government Law College, Ahmedabad under the Innovation Club and SSIP organized a 30 Hours Training Program titled “The Digital Counsel: Integrating AI Legal Technology & Web Innovation in Modern Law & Business”. The program was conducted from 17 February 2026 to 28 February 2026 between 08:00 AM to 11:00 AM.

The objective of this program was to introduce law students to modern technological developments in the legal profession, particularly Artificial Intelligence, Cyber Security, Forensic Science, Web Technology and Digital Legal Tools. The training aimed to equip students with practical knowledge of emerging legal technologies and enhance their professional skills in the rapidly evolving legal ecosystem.

The program was organized under the guidance of the Patron Dr. Minal A. Raval, Principal, Government Law College, Ahmedabad. The organizing committee included Dr. Pankajkumar Modi, Dr. Alpa H. Amin, Dr. Devendra B. Patel, Mr. Mohammedtofiq Pathan and Mr. Nirav Ubhadiya.

The training program was coordinated by Dr. Urvi Shah (Innovation & SSIP Coordinator) and co-coordinated by Ms. Dipika Virpari (Innovation & SSIP Co-Coordinator), Government Law College, Ahmedabad.

Several eminent experts delivered lectures and conducted practical sessions during the program including Shri P. P. Zala (Expert, Cyber Cell, Ahmedabad), Dr. Rhea Bose (Forensic Psychology Expert), Mr. Ashutosh Singh Rajput (Advocate, Gujarat High Court), Mr. Harnil Shukla (Technical Expert), Mr. Jay Raval (Technical Expert), Ms. Anshu Sharma (Women Entrepreneur) and Shri Ashwin Ahalgama (Expert, Cyber Cell).

The training sessions covered various important contemporary topics including:

- Cyber Security Aspects
- Use of Artificial Intelligence in Law
- Forensic Science Laws and Data Protection Laws
- Moot Court Preparation
- Alternative Dispute Resolution Mechanisms
- Practical Understanding of Forensic Psychology
- Preparation for Judicial and AIBE Examinations
- Website Development (HTML, CSS and Java)

The sessions were highly interactive and practical in nature. Students actively participated in discussions, demonstrations and hands-on training activities which enabled them to understand the practical applications of technology in legal practice.

A total of 55 students from Government Law College, Ahmedabad participated in the training program. The program proved to be highly beneficial for students as it enhanced their understanding of legal technology, digital tools and interdisciplinary knowledge relevant to modern legal practice.

The program concluded successfully with valuable learning outcomes for students

and appreciation from participants for organizing such an innovative and practical training initiative.
