

# Government Engineering College, Bharuch

## Mechanical Engineering Department

Event: “SSIP Awareness Program”

Event Coordinator: Dr B K. Patel, Dr. P P. Shah, Dr. V S. Patel

Date: 30-01-2026

Time: 10:30 am to 11:30 pm

Venue: Respective Classroom of 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> year.

Mechanical Engineering Department had organized “SSIP Awareness Program” for the students of first, second and third year to make the students aware about the main Objective of SSIP scheme, Innovation and Stages of an Innovation, Examples of the Innovation, Process for the financial approval for the POC and IPR. An **SSIP (Student Start-up and Innovation Policy) awareness program** results in increased understanding among students about start-up funding, proof of concept (PoC) support, prototype development, IPR assistance, and incubation facilities available under SSIP. It motivates students to think innovatively and consider entrepreneurship as a career option, clarifies the application and proposal submission process, and encourages participation in innovation-driven activities. Overall, the program strengthens the start-up and innovation ecosystem within the institution by building confidence, enhancing engagement, and promoting a culture of research, creativity, and problem-solving.
