Our Country is celebrating 75 years of Independence as “Azaadi Ka Amrit Mahotsav”. As a part of that Government Of Gujarat had decided to celebrate “Student Startup, Research and Innovation Festival during 17th September 2022 to 15th October 2022. As we know that Student Start Up and Innovation Policy has successfully completed 5 years. As Government Polytechnic, Valsad being a technical institute have also taken initiatives for successful implementation of SSIP Policy. And as a Celebration of success of SSIP Policy as Student startup research and Innovation Festival, as directed by government e have Organized A “Student Sensitization Program” for newly admitted students on 22/09/2022. This Sensitization program was organised by SSIP Cell of the institute.

The program was organized for newly admitted 1st year students to make aware and sensitize about the SSIP Policy. The program was organized during 11:00 am to 12:30 pm at Civil Seminar Hall on 22/09/2022. This program was started by Mr. K. P. Billimoria (Lecturer, in Civil Engineering) by introducing about the objectives of program and then Mr. H. B. Patel (Head, Mechanical Engineering Department) have inspired students towards Start-Up and Innovation by sharing his experience and some successful stories of start-up. After Shri H. B. Patel session was conducted by Shri R. M. Pipaliya (SSIP Co-ordinator). Shri Pipaliya have explained the SSIP Policy in detail.

In the sensitization program shri R. M. Pipaliya have discussed about SSIP Policy, Objectives Of Policy, discussion about innovation and then he had discussed how students can take maximum benefits of Student Start-up and Innovation Policy. During the session Shri Pipaliya have motivated the students to become entrepreneur and also shared details of success stories of student entrepreneurs from Government Polytechnic, Valsad. Then student were also informed about various activities under SSIP Cell and also details of financial as well as technical supports provided by institute during SSIP 1.0.

In the end of the event Honourable Principal Shri B. N. Patel(I/C Principal) have also motivated students and insist them to take maximum benefits of student

start-up and innovation Policy. The session was ended by vote of thanks by Shri K. P. Billimoria. In this Sensitization Program Appro. 400 Students were Present and 15 Staffs were Present.
