## **POST EVENT REPORT**

“SHODH-2024” is an annual event conducted at Narsinhbhai Patel Dental College and Hospital to acquaint new interns to field of research. Following the same, this 5-day program, with series of lectures by various speakers in the field of research encompassing different topics providing information about the process of research was conducted from 6<sup>th</sup> to 10<sup>th</sup> January, 2026. This informative and motivational research orientation program emphasized on the scope of research in the field of dentistry and also inclined them towards start –up’s in our field. The inaugural ceremony was graced by the presence of Dr.Vilas Patel Dean (NPDCH), Dr. J.R. Patel (Director, Health Sciences) all HOD’s, Intern coordinator committee members, faculty members and 75 intern students. This program was conducted specially for giving an insight about various domains of research to all the intern students. The five days session consisted of interactive scientific deliberations on different aspects of research which included the description about identification of research areas, research methodology, methods of conducting survey, ethics and protocols of research, literature search, overview of clinical trials and publication guidelines. Information about innovations and procedures for procuring grants was also provided and there were lots of take-home message for the interns. The speakers were felicitated by senior faculty members at the end of each

session.
