

Student Startup Innovation Festival

Sensitization event for students was conducted on 07/10/2022 on "SSIP Sensitization Program" for students of Computer Department of GIDC Degree Engineering College by Prof. Kushal Patel (Assistant Prof. Computer Engg.). The participating students were made aware of SSIP 2.0 and process to avail grant under SSIP.

Students were made aware of Importance of IPR and its application at student level.

The event was conducted SSIP Cell, GIDC Degree Engineering College, Navsari.
